RG104 E-1 Box 125 Oct-Dec 1881

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., November 14th., 1881.

Sir:

I transmit herewith, for your information, copy of a letter under date of the 12th. inst., addressed to this office by the Secretary of the Treasury, directing the recoinage of the old copper coins amounting to $17,540.91 and the copper nickel one cent (1857-64) amounting to $104,018.71, now in the Redemption Fund of your Mint, into five cent nickels.

If, in order to carry out these instructions, it is necessary that you should purchase a supply of nickel, you will please submit an advertisement inviting proposals for the same, that I may procure authority from the Secretary of the Treasury for the insertion of the advertisement in one or more news-papers.

Owing to the limited amount of five cent nickel coins now on hand in the Treasury, it is desirable that the recoinage of these pieces should be commenced at as early a date as practicable.

Very respectfully,

R. E. Preston

Acting Director.

A. Louden Snowden, Esq.,

Supt. Mint of the U.S.,

Philadelphia, Pa.
